

STANWOOD COOPERATIVE PRESCHOOL

2012 - 2013

Welcome to the Stanwood Cooperative Preschool! We are an early childhood program that provides an educational opportunity for both the child and adult. Enclosed is some general information about our preschool, however if you have additional questions, please feel free to contact the school or visit our website.

The **2012-2013** school year will have the following classes at **Stanwood Cooperative Preschool**.

<u>Toddler Time</u> (18mo.-3 yr olds: must be 18mo by 8/31/12)	Monday 9am-11am
<u>Discovering Science</u> (3-5 yr olds: must be 3 by 8/31/12)	Monday 11am-1:30pm
<u>3-5 yr old Class</u> (3-5 yr olds: must be 3 by 8/31/12)	Tues/Thurs 9am-11am
<u>4-5 yr old Class</u> (4-5 yr old: must be 4 by 8/31/12)	Tues/Wed/Thurs 11am-1:30pm

This year SCP is allowing a child to enroll in multiple classes providing they are age appropriate. A 3 yr old can enroll in Science & the 3-5 class or a 4/5 yr old could enroll in Science, 3-5 class & the 4-5 class. This will give the older children an opportunity to gradually transition to a longer school day in order to prepare them for the kindergarten experience. Limited scholarships are available for all classes. Please speak to our administrator for scholarship details, guidelines and availability.

The preschool is a cooperative program where the adults work together with the teacher to provide a quality, rewarding preschool experience. As part of participation, cooperative parents have the following requirements.

- work one day per week in the classroom for each child enrolled (for Science work 1x per month)
- attend parent meetings as scheduled (approx. 4x's per school year)
- participate in parent education sessions
- contribute to the preschool with committee work
- pay fees required for enrollment
- provide snacks on a rotating basis for your class
- participate in the routine clean up of the preschool on a rotating basis
- actively participate in annual fund raising events

We are currently enrolling in all of our classes for the upcoming school year. If you are interested in any of the classes listed above, please send back the enrollment form enclosed with a \$30.00 non-refundable deposit for each child enrolling. All deposits will go to the scholarship fund.

If you are interested in visiting our building, please contact Dee Reynolds so we can arrange a day and time to meet. We are currently located at 27027 102nd Dr NW, Stanwood – behind the Stanwood Food bank.

STANWOOD COOPERATIVE PRESCHOOL

Class Descriptions

Toddler Class

From 18 months to 3 years of age, children are curious about the world around them. This class is designed for children to use their gross motor skills to explore the classroom. Parents, or care-givers, attend during this hour and a half class participating in small group discussions and parent education, as well as exploring the classroom with their child. Activities are specially designed with the toddler exploration in mind. Minimum 10 kids per class. Maximum 12 kids per class.

Mondays 9am-11:00am

Children must be 18 months by August 31, 2012

3-5 Yr Old Class

The 3-5 preschool class offers age appropriate early learning opportunities and promotes social and emotional development. Our curriculum helps foster creativity and independence using play stations, such as: library, dramatic play, art area, sensory zone, and large & small motor activities. Our classroom is a place where children will grow in a safe and fun environment. Minimum 10 kids per class. Maximum 15 kids per class.

Tues & Thurs 9am-11:00am

Children must be 3 by August 31, 2012

4-5 Yr Old Class:

In this classroom setting, the older child will continue their active exploration of their environment. Large and small group activities throughout the day give children the opportunity to engage in activities fostering literacy, math development, self-esteem and social awareness. The class allows parents to grow and learn beside their child and gain valuable parenting education and skills. Minimum 10 kids per class. Maximum 15 kids per class.

Tues, Wed, Thurs 11:00am-1:30pm

Children must be 4 by August 31, 2012

Discovering the World of Science:

Science is fun and breathtaking for young children. The class will focus on discovering the world around us through hands-on experiments. The class will take full advantage of our outdoor area created by award-winning "Natural Playscapes." For children ages 3-5 years old. Minimum 10 kids per class. Maximum 15 kids per class.

Mondays 11:00am-1:30pm

Children must be 3 by August 31, 2012
